RED LION HIGH SCHOOL
RED LION, PENNSYLVANIA

Good Old Red Lion High

The creation of a High School dates back to 1899. At that time the school was very small and there were only a few pupils. C. E. Smith was the first teacher. Later W. W. Stauffer was elected Principal of the Schools.

At first there existed only a three-year course but the growth of schools and population necessitated a four-year course. Thus the High School was classified as a second class High School. In 1908 the "Hill School" was built. This tended to accommodate the growing student body.

With the gradual development of the schools came the honor of a first class High School. Gradually new teachers and principals were elected and discharged and new and modern equipment was added. The growth in the number of students also necessitated a larger and better equipped High School. Thus the new Junior-Senior High School building, which stands on the corner of Charles and Henrietta streets, was erected. This fifteen-room school

is equipped with a large library, a gymnasium, an auditorium, a Domestic Science Laboratory, and a Physics and Chemistry Laboratory. As a result, the teaching staff was increased. Thus we have the High School of today with Albert G. W. Schlegel as Supervising Principal and Harvey J. Becker as High School Principal.

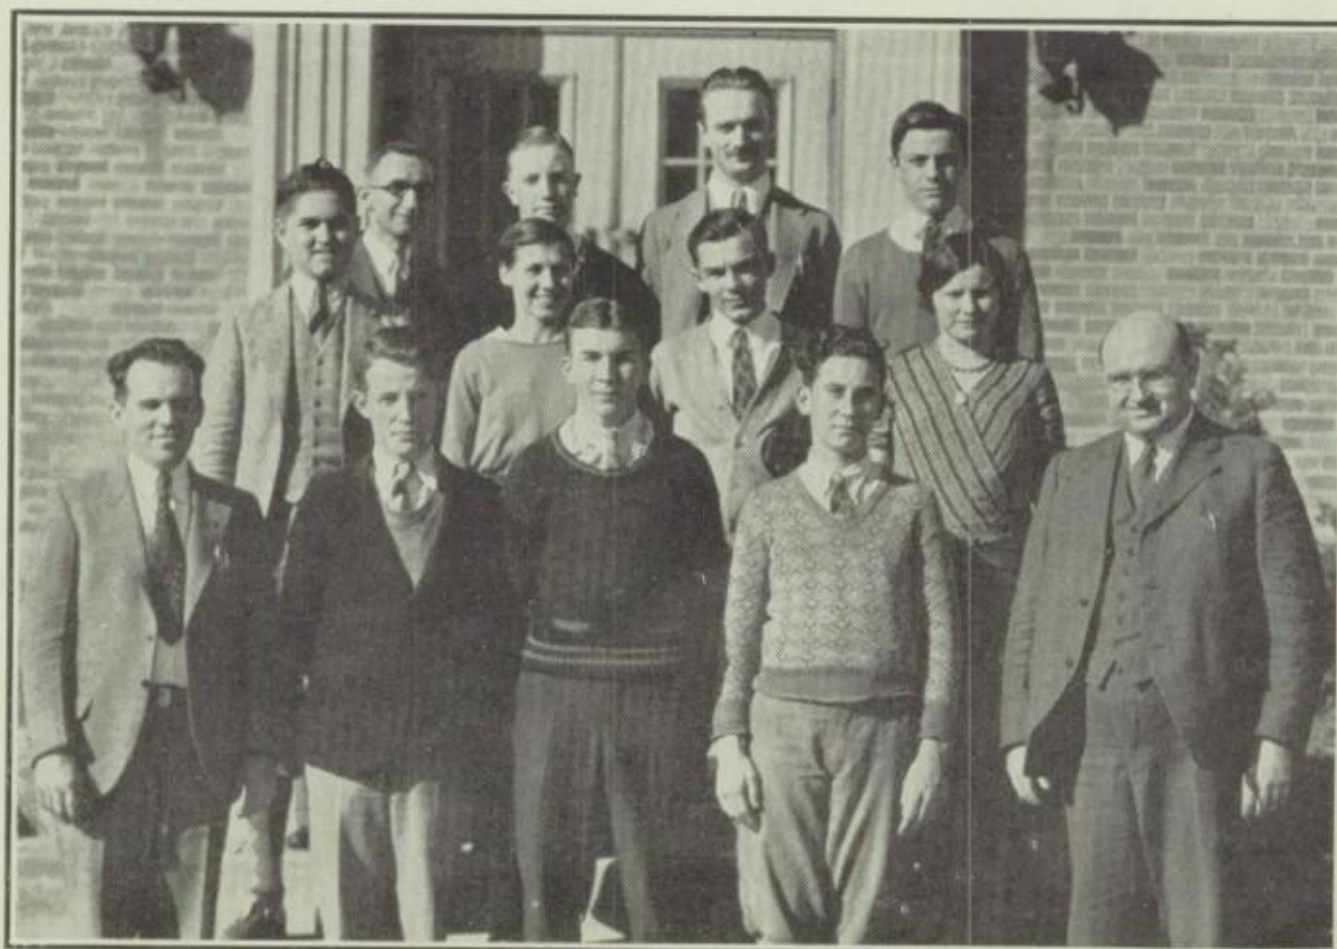

It was only yesterday when we entered Red Lion High School as Freshmen. We leave four years behind us, crowded full of pleasant experiences, to enter a world of wonders.

But before we go, let us enjoy the memories of a happy past. And as the pages unfold, let us recognize the good that was enscrolled. When our future looms up in our sight, we will steel our minds to meet it.

Well may we pause, and turn, and turn again
 With conscience true and clear,
 To pleasant thoughts of days gone by,
 The days of yester-year.

Well May We Prophecy the Future

VELMA BECK

Velma is known for her ability in mathematics. Her secret ambition is to become one of the future nurses of Pittsburgh. When in need of a nurse, go to Velma.

HILDA BRENNEMAN

Hilda is one of the quiet members of the Senior class. She has not decided what career she will follow. Remember Hilda, good housekeepers are rare.

ANNA BROWN

"Banana," or "Athletic Ann," we expect to find next year in the General Hospital in Philadelphia; of course a nurse not a patient. We know her cheerfulness will win many friends.

OLIVE BYERLY

Olive plans to be an artist but whether she will choose to paint pictures or to decorate cakes with fancy icing is hard to say! We predict the latter.

WILLIAM CRALEY

Our tall basketball star hopes to be an Athletic coach. His playing ability as was displayed in R. L. H. S. assures him success in this field.

DORIS FEREE

"Dob," who is always heard before she is seen, has two weaknesses, "Chemistry" and "Felton." We predict Doris to be the future Dental Hygienist of R. L. H. S., or a painless dentist.

LUTHER FERTNER

We expect much of Fertner and we have a right to because his middle name is, "Industrious." We are sure the office of "Dr. Fertner" will be full of patients, among whom will be many schoolmates.

MARTIN FLINCHBAUGH

We know little of Martin's future plans but we predict that his attractive appearance and his sense of humor will surely bring him success.

MIRIAM GEMMILL

Better known as "Mim," has two weaknesses, volleyball and the Lion theatre. Next year we expect to see "Mim" as a nurse, wearing a white cap and low-heeled shoes.

MARTHA GOHN

A glance into the mirror of the future shows Martha, making the pots and pans rattle in her many domestic duties. Due to some inside information, we learn that she is doing much to bring Red Lion and Dallastown together.

GRACE GRIM

Grace is a one-year student in R. L. H. S., coming from Spring Grove. We see her every morning, driving her big "Buick" up the hill. In a few years we shall find her teaching the three R's.

LUTHER GRIM

As the strains of "Rose, My Darling Rose" die down, Luther Grim steps forth. His work on the Hilltop has shown that as a journalist he will win his goal; reporter for the Red Lion Sun.

VIRGINIA GRIM

"Ginny" is a member of the "Black Circle Gang" in athletic activities. As a nurse at the General Hospital she will win the heart of some doctor.

ELVA HEINDEL

Well! Well! Here comes our chewing gum Champion. If it's style in chewing, go to Elva. We expect to find Elva doing her bit as a nurse instead of being head of the chewing gum industry.

SYLVIA HERSHEY

"I want to be somebody's stenog," is Sylvia's cry. We all wish her success every day in a million ways as somebody's "stenog" or anything she will choose.

LOUISE HEYNE

"Heinie," is a member of the "Black Circle Gang," and the predicted old main of the Senior class. We wish "Heinie" luck and success in her future profession, nursing.

PROPHECY

ISABEL HOLTZINGER

Golden hair, blue eyes, and a sunny smile characterizes one of our future doctors of America. Don't get your pills mixed, Isabel!

ETHEL HOUSEHOLDER

If it is cosmetics, hair dressing, or a good friendly smile, Ethel is the person to whom we go. We expect to see a well established beauty parlor operated by Ethel, our own talented beauty specialist.

CATHERINE HOWETT

"Daty" is the quiet little lass from Collinsville. Her friendliness to all aided her as class prophet. We predict that her winning smile and dimples will be an asset to her in her teaching career.

EDNA KEENER

Edna, an excellent typist and commercial student, has rendered much service to our school paper. Her aim in life, we hope, is to become "somebody's stenog."

HAZEL LAMOTTE

Here she is! The tall blonde from the Commercial section. We predict and wouldn't be surprised if she would be the private secretary to some President.

VERA LAMOTTE

We know that this dainty little miss, who is one of our best basketball and volleyball players, will be successful in the profession of stenography.

KENNETH LAUCKS

"Nickey," the short chap who featured in basketball, expects to spend much time in motor-boating on the Susquehanna next summer.

EVERETT LETTS

"Ev," the chemical genius of the class, is undecided about his future. But we predict bridges across unconquerable rivers in Brazil or roads through impassable mountains in Europe.

ELLEN LLOYD

Ellen's life in the future will be connected with business. Whether in an office or in a cozy home is yet to be seen. Here's success to you.

JESSIE LOVE

"Lovey's" sincere ambition is to become a comedian. We expect to find her as "somebody's stenog" or taking the place of "Cam" in the Funnies. We wonder if she will feature at the "Lion."

CHARLES McGUIGAN

"Chas," is one of the few male members of our class who is usually seen before he is heard. We expect to find him as the head of the shipping department in his father's cigar factory.

LORETTA McKINLEY

Loretta may hail from the country but she is thought of as the fiancée of the class of '32. We feel sure that Loretta will be a success as a teacher.

ARTHUR MAYES

"Boop-boop-a-doop!" Look out! Here comes "Mit" and his "Chevy." We expect him to be the future President of the "Mom and Pop R. R." "Good luck," Arthur.

GERALDINE MEADS

"Gerry" intends to be a nurse and in a few years hence. We feel sure that she will be nursing the heart of some doctor. The class wishes you success.

BURNELL MILLER

"Bromo" or "Nellie," as he is sometimes called, is the school's greatest and most renowned debator. We hope that his arguing power will help him to win many cases as a lawyer.

HARRY MUSSER

This chap is one of our future civil engineers. As a journalist he has succeeded well in R. L. H. S. Harry's likeable disposition and wise-cracks are envied by many of his classmates.

EDNA NESS

"Nessie" is one of the gigglers of the '32 class. Edna has many ambitions but we predict her as the future manager or as secretary of the "Nickle and Dime."

GRACE OLEWILER

"Moles" is an epithet applied to this good natured young lass of the senior class. In her future career as a nurse, we feel assured of her success.

HERBERT PARLETT

No more shall there be seen in Red Lion High School any twigs, limbs, or leaves, thrown around or mistreated. Herbert will be one of our future forest rangers.

LEHMAN RAUB

Lehman goes through the halls singing, "A Chemist I shall be, a chemist I shall be." We hope if he should teach our children he will have pity on them.

PROPHECY

ELWOOD RIDDLE

"Frecks," intends to be a teacher and the class predicts a good time for all the students in his classes.

CARL SEITZ

Carl is small but mighty intellectual. As Carl wishes to become a teacher we expect him to find him solving the unsolved problems at either Yale or Harvard. We feel sure of his success.

MAX SHAULL

Max smiles only when something is funny. His aim is to become a bookkeeper. We feel certain his record will be as neat as he. His success is greatly anticipated.

GURVIS SMELTZER

"Gerp" is a professional classroom entertainer. His future ambition is unknown but we predict a stage career for him as an actor.

RICHARD SMITH

"Dick" another of the few who is seen before he is heard expects to be his father's private secretary in the near future.

THELMA SMITH

Thelma Mae Smith hails from Yoe, Pa. Her practice before the York County Bar is assured. We predict a big office in Yoe with many clients.

MARTHA SNYDER

Martha, the smallest girl of our class, is going to become a dentist. The relief she will give to her poor suffering patients will guarantee her success.

DAISY SPURLEY

The class of '32 pictures our very industrious student pounding furiously the keys of a "Royal" in some big office at Washington.

CHARLOTTE STABLEY

"This is Station W-O-R-K Tra-la-la." Sure enough, that must be Charlotte who captures the hearts of the opposite sex. We predict a great future for her as a music teacher.

MARTHA STAUFFER

"Mollie" is the trombone player of our class. Many patients she'll blow to heaven, with her trombone when she becomes a nurse.

ALICE STEIN

Alice lives about a mile below Red Lion. She has many friends at R. L. H. S. We know Alice will make her mark as a Dental Hygienist.

MYRTLE STEIN

Myrtle is the black haired, happy go lucky, lass of the Senior class. "Myrt," "the Pick" of Problems class wishes to become a nurse. We wish her success.

ERMA STRAYER

Erma is the brown-haired girl from Springvale. Erma intends to go to college and she will be a success in whatever field she enters.

MARTHA TYSON

"Mart" is one of the girls of the Senior class who is seen and not heard. We believe that in the future she will be a school "Marm."

EDGAR UREY

"Chuck, chuck, chuck." Here comes the "Jewish Packard" with Ted behind the wheel. We predict that "Ted" will be the president of "Urey Bros. Well Drilling Corp."

JOHN WISE

Step aside and let this young man pass. Why that is John W. Wise the manager of the Brogue baseball team. We know John will produce a pennant winner for The Brogue.

NORA WISE

Here is Nora whose policy is, "Silence is Golden." Her ambition is to become a doctor. We hope Nora has lots of success and know she will win.

MILDRED WORKINGER

"Mill" is the redhead of our class. She expects to be a teacher. But we wonder if she won't finally win the heart of some country lad.

ALBERT ZEIGLER

Picturing our tall blond "Snakey," we see a khaki-clad he-man, nursing his trees. We hope that he received some benefit from the sports in high school will aid him in his life as a forester. An outstanding future for you Albert!

ELEANOR ZEIGLER

This young lass hails from Windsor. During the short time here in R. L. H. S. she has captured many friends. We predict her success in the field of dramatics.

Class Memories

Now our gala day has come,
The crowning point of our career,
And glad our heart of what we've done
And proud of all we gathered here.

Six years we've worked with might and main,
To our Alma Mater proven true,
Together worked to grasp the rein
And reached our goal before we knew.

But soon, too soon these years have fled,
And like a dream we yet seem dazed
Again we wake just to be led
Into the future where we have not gazed.

We have jeered at the jokes our class mates
hurled.

At the success of ones all fussed,
But now we must enter in the work of the world
And perhaps it will jeer at us.

Now to our teachers and class mates,
We wish to give heartfelt thanks
And hope we may be shining light
To those we love and serve.

. . . . School Activities

NATIONAL HONOR SOCIETY

★ This honorary society is composed of fifteen per cent of the Senior Class, and five per cent of the Junior Class. To be eligible for membership in this society, the student must meet four requirements: scholarship, leadership, service, and character.

The members of this society are chosen by a faculty committee, who carefully select the members, keeping in mind the above four requirements. The following Seniors were chosen as members of this society: Lehman Raub, Daisy Spurley, Richard Smith, Isabel Holtzinger, Louise Heyne, Harry Musser, Edna Ness, Luther Fertner, and Thelma Smith. The four students which were chosen to this society from the Junior Class are: Kenneth Taylor, Lorie Hoffman, Charlotte Tyson, and Eleanor Hess.

THE ORCHESTRA

★ The Junior-Senior High School orchestra composed of practically all the talented musicians in the High School, has had a very successful year under the direction of Miss Louise Hetrick.

It furnished music, not only for our weekly assemblies, but for all the school plays, receiving much commendation for the splendid rendition. Winning first prize in the York County Scholastic and Athletic meet is another of the orchestra's accomplishments. Senior members are: Daisy Spurley, Carl Seitz, Martha Stauffer, Martin Flinchbaugh, Arthur Mayes, Elwood Riddle and Ethel Householder.

THE GLEE CLUBS

★ The mixed glee clubs had a very busy as well as successful year. Their annual Operetta, "Miss Cherryblossom," was well received by capacity audiences both nights of its rendition. Picturesque scenery painted by Mr. Westerberg and Miss Bailey and costumes by the Domestic Science department under the direction of Miss Shelbert, added to the beauty of the singing and dancing. Much credit for the accomplishments of the Glee Clubs is due Miss Hetrick for her faithful supervision. Senior members are Edgar Urey, Arthur Mayes, William Craley, Charlotte Stabley, Ethel Householder, Eleanor Zeigler, Martin Flinchbaugh, Sylvia Hershey, Kenneth Laucks, Geraldine Meads, Lehman Raub, Elwood Riddle, Martha Stauffer, Alice Stein, Mildred Workerger, and Albert Zeigler.

Boys Hi-Y

★ "To create and maintain throughout the school and community a high standard of Christian Character," is the moral of the Boys Hi-Y clubs throughout the world. The school can be very proud of this fine group of boys who have solemnly made their pledge to the above moral.

Vice-president KENNETH LAUCKS

Treasurer HERBERT PARLETT
Faculty Adviser MR. YOAS

Baseball

★ The baseball season was a very successful one for Red Lion High School. As a member of Division A, York County Scholastic League, Red Lion held its own against its opponents, winning all the games. The league pennant, however, was lost to Dallastown in a poorly played game on the part of Red Lion boys. Class A trophy, however, decorates the walls of the library as a token of a successful season.

Senior members of the team are Lehman Raub, Burnell Miller, Harry Musser, William Craley, Albert Zeigler, Elwood Riddle, and manager Kenneth Laucks. Other members of the team are William Sawmiller, William Snyder, Elwood Payne, Elmer Kline, Preston Young, Arthur Ness, assistant manager, Dallas Smeltzer, and Coach Nitchkey.

Girls Intra-mural Sports

★ The girls' intramural program for this year opened with basketball. The Seniors formed two teams, Snaps, and Racketeers. The tournament, in which the teams were scheduled, was won by the Snaps.

Following the basketball season volleyball tournament was held. Again senior class teams were formed. The Snaps were also successful in winning this tournament.

Next in line came the horseshoe tournament with each girl doing her best to be champion.

The girls participated in the York County Field Meet and tied with Dillsburg for first place.

The following girls accumulated enough points to earn the intramural letter: Rachel Hilderbrand, 197 points; Martha Stauffer, 192 points; Anna Brown, 187 points; Louise Heyne, 165 points; Thelma Smith, 164 points; Gertrude Haugh, 154 points; Betty Zarfes, 150 points; Dorothy Lentz, 150 points.

Girls Reserves

★ The Girl Reserve Club, with its purpose—"To find and give the best", represents one of the most active groups in the Senior High School. Organized in September 1929 as a new project, the club program has developed into one of wide popularity. The club activities include community service, participation and interest in all school activities, and diversified programs in club meetings.

The officers of the Girl Reserve Club are:

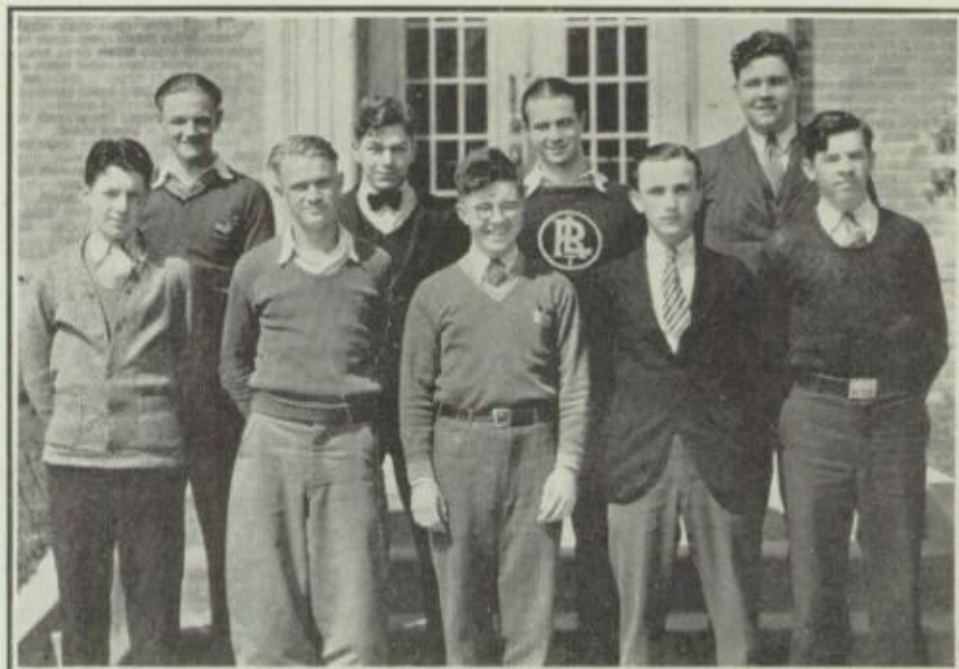

President CHARLOTTE STABLEY
Vice-president SYLVIA HERSHEY
Secretary ISABELLE BAKER
Treasurer GERTRUDE HAUGH
Faculty Adviser MISS ADAMS

... Our Athletic Leaders ...

N. A. S. SOCIETY

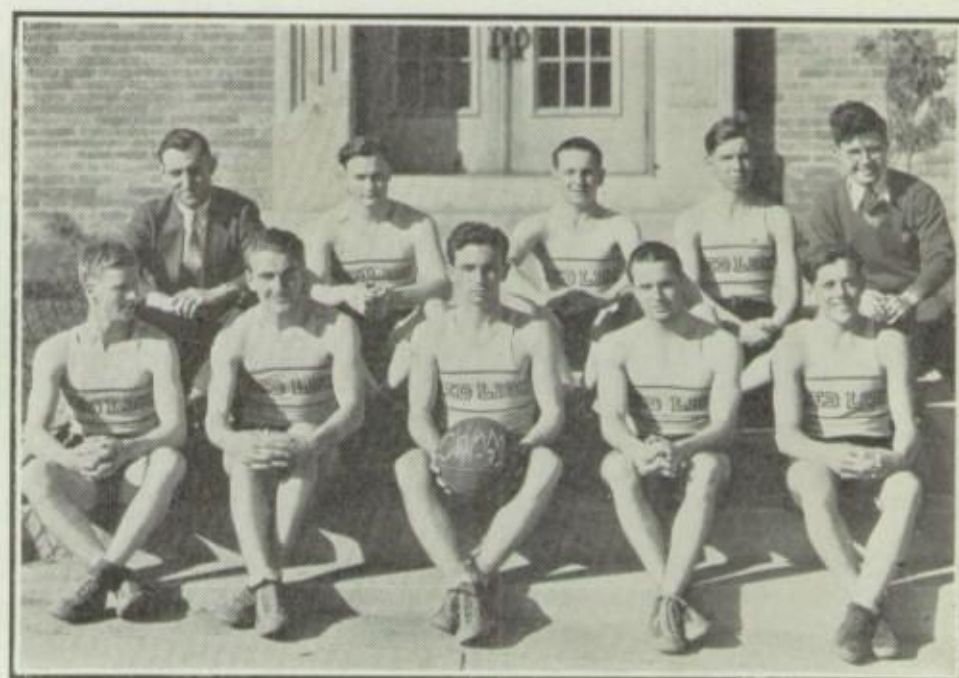

★ The class of '32 has four members who were admitted to the local chapter of the National Athletic Scholarship Society; Lehman Raub, Burnell Miller, Luther Grim, and Harry Musser. To be eligible to this organization, the student must earn an athletic letter and his scholastic record must average above that of the entire school. We are proud of our student athletics.

Other members are: Preston Smith, Arthur Ness, William Snyder, Richard Eline, and Paul Lauer.

BASKETBALL CHAMPS

★ "Six times Champs" is the boast of the R. L. H. S. basketball team. Nine years ago a county basketball league was formed. In six of these nine seasons Red Lion won the championships contests. This year the sixth championship left Red Lion permanently in possession of the second Polack trophy. Three members of the class of '32 are William Craley, Albert Zeigler and Kenneth Laucks, as well as Manager Luther Grim. Other members on the team are: Brown, Hall, Young, Ness and Haines. Coach Nitchkey's smile denotes another championship next year.

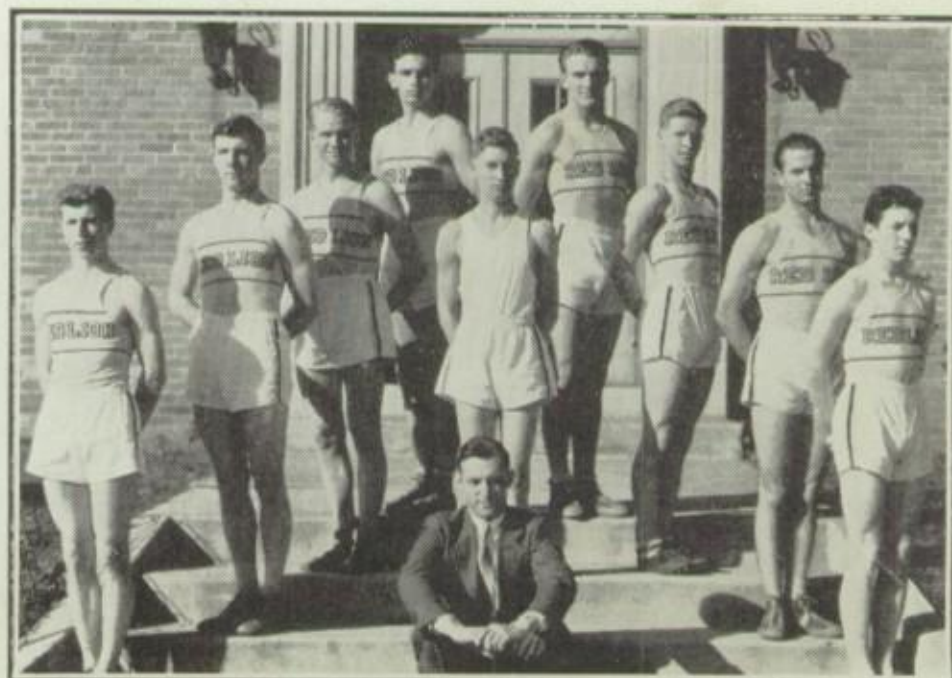

TRACK AND FIELD TEAM

★ The boys have again made a name for Red Lion High School on the cinder path. For the third consecutive year at Millersville, they have shown other schools their heels.

In the County meet they again demonstrated their ability. Competition was keen, but that was a small hazard, as the motto of the team is, "Never Give Up" That's the fight team.

The team consisted of NESS, MILLER, YOUNG, REICHARD, SMITH, ELINE, ZARFOS, ZEIGLER, HALL, CRALEY, SNYDER.
